5. With Collins, State faculty adviser, I am continuing the development of a case study on the insurgency in Venezuela for presentation to the 17th Session. The DDP/WH desk has been most cooperative in assisting in the research.

6. I am reviewing the short version of the OTR Training Film, "DDI-Part IV" for use in the lunch hour film program at NIS as a replacement for "Resume'." This will strengthen the content relative to national intelligence and the DDI.
